

## Intro to iPads

Have you recently purchased an iPad and want to find out how to get the most out of it? Learn to navigate, organise and customise your iPad, become familiar with apps, download free apps, learn editing, manage folders, set up email and learn about security features, plus more!

**Course prerequisites:** Basic literacy and keyboard skills. Bring your own iPad with Apple id and set-up. For those who are thinking of getting one we can provide iPads to practice on in class.

### Course Includes:

- iPad Features
- Customising your iPad
- Searching & downloading useful applications
- Wifi (learn how to connect)
- Surfing the Internet
- Taking/editing photos
- Ebooks

Call 9645 1476 or email us for an enrolment form or if you have a query.

ACFE tuition fees for government funded programs have been set in accordance with ministerial fees and directions. Student amenity fees and materials are charged per course and may vary between courses. Proof of permanent residency/approved concession card is required to be eligible for ACFE subsidized rates.
