

# COMPUTERS

## BROADBAND FOR SENIORS

Broadband for seniors is a free 3 – 4 hour one to one lesson with a volunteer tutor who teach very basic introduction to Computers and web surfing.

It is suitable for people who do not know how to turn on a computer.

As is a volunteer program and free of charge, there is a six week waiting list before the tutor becomes available.

**Location:** Middle Park Community Centre  
254 – 256 Richardson Street  
Middle Park 3206
