

WATERFRONT WELCOMERS VOLUNTEERS NEEDED!

Do you love where you live? Do you enjoy meeting new people? We are urgently looking for volunteers to greet the cruise ship passengers who visit from other parts of Australia and from all over the world, down at Station Pier, Port Melbourne. The Cruise ship season begins in October 2017 running through to March 2018.

This is the fourth season of the programme, and we are looking for enthusiastic, passionate people to join our band of great volunteers at the WATERFRONT WELCOMERS and assist passengers with their queries, and tell them all about the sights/ experiences of Port Melbourne and City of Port Phillip. No experience necessary – we will do all the training.
